# fMM&T India 2009 - An Overview

fMM&T India 2009 has been hailed an unprecedented success thereby achieving its objective in gathering the best selection of footwear & leather machinery, components and materials from 140 international and Indian manufacturers.

fMM&T-09 was inaugurated on 8th May by Mr. Dinesh Rai, Secretary, Ministry of Micro Small & Medium Enterprises, Government of India. Other distinguished dignitaries from the Industry were also present.

Two seminars were held: 1) Fashion's compass into New Frontiers – Shoe retail trends for the Spring Summer 2010 season" organized by CLRI-IFCOMA-fMM&T. 2) Benefits of Using US Hides and Skins" organized by US Hides, Skins & Leather Association.

The exhibition attracted 3249 buyers from more than 20 countries:

Bangladesh, Canada, China, France, Germany, Hong Kong, India, Italy, Japan, Korea, Nepal, Singapore, South Africa, Spain, Switzerland, Taiwan, UAE, UK, USA & Vietnam

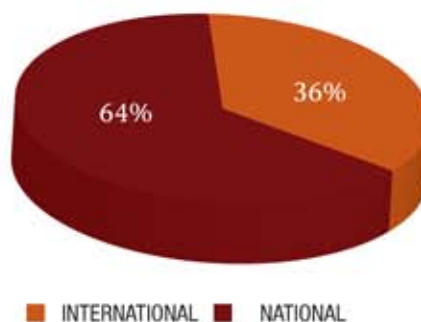

## Facts & Figures

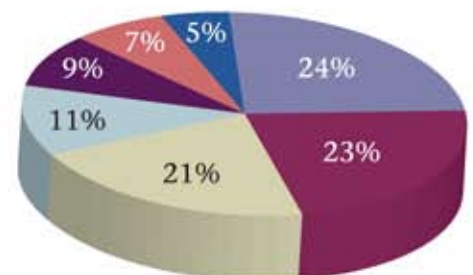

The Exhibition spread over:

- 1) 5400m<sup>2</sup>
- 2) 140 exhibiting companies from Brazil, China, Egypt, Hong Kong, India, Italy, Korea, Spain, Taiwan, Thailand, USA & UAE.
- 3) International Pavilions from Taiwan, Spain & China.

EXHIBITOR BREAKDOWN

VISITOR'S AREA OF INTEREST

## About The Industry

Footwear is the engine of growth in the leather industry, currently accounting for an export value of US\$ 1.2 billion, holding a majority share of 41% in India's total leather trade. By 2010-2011 footwear exports from India is expected to reach US\$ 4.5 billion, where the overall exports forecasts US\$ 6.9 billion, and footwear consists of 65% in India's total leather exports.

## A Few Interesting facts

- India is the second largest producer of footwear after China, accounting for 14% of footwear production of 14.52 billion pairs.
- India produces 2065 million pairs of footwear.
- India exports about 115 million pairs. Thus, nearly 95% of its production is driven by domestic demand.
- The major production centers in India are: Mumbai, Kanpur, Jalandhar in Punjab, Agra, Delhi, Karnal, Ludhiana, Sonapat, Faridabad, Noida and Gurgaon.

## INDIA EXPO CENTRE

One of the most modern exhibition centre in India, India Expo Centre is conveniently located in Greater Noida on the expressway leading to New Delhi and to the major footwear production centre of Agra.

## APLF

APLF is a joint venture between UBM ASIA and SIC Group. For over two decades, Hong Kong based APLF has been providing the global leather industry with its most important meeting and trading place.

APLF includes APLF – Materials, Manufacturing & Technology, Fashion Access (bi-annual fairs) in Hong Kong and All China Leather Exhibition in Shanghai China.

## UBM India

UBM India is a part of United Business media Limited which is a leading global business media company. We inform markets and bring the world's buyers and sellers together at the events, online and in print, providing them the information they need to do business successfully.

## IFCOMA

was established in 1992 to bring the Indian footwear component manufacturers on a common platform to help them to understand the various opportunities, growth potential, export initiatives, problems and hurdles to faster growth of this crucial sector. IFCOMA is the only association of its kind in India that is duly recognised by the government and many other trade institutions.
